§25–401.

- (a) In this subtitle the following words have the meanings indicated.
- (b) “Apartment unit” means a single family housing unit that:
 - (1) is one of multiple units within a building;
 - (2) contains at least one full bath and one full kitchen; and
 - (3) does not contain more than two toilets.
- (c) “Fixture unit” means the assigned value for a plumbing fixture or group of plumbing fixtures, as set forth in the Commission’s plumbing and gas fitting regulations, that is standardized with a common lavatory having an assigned value of one based on its probable discharge into the drainage system or hydraulic demand on the water supply.
- (d) “New service” means:
 - (1) a first time connection of a property to the Commission water or sewer system, including:
 - (i) a direct connection of an improvement or building; or
 - (ii) a connection of the improvement or building through an existing on-site system; or
 - (2) a new connection or increased water meter size for a property previously or currently served by the Commission if the new connection or increased meter size is needed because of a change in the use of the property or an increase in demand for service at the property.
- (e) “Property” means an improvement or a building on a lot or parcel of land that contains plumbing fixtures.
- (f) “Toilet” means a water closet, as set forth in the Commission’s plumbing and gas fitting regulations.
